It's a New Year and the time when we try to get everyone's library information updated.

Help us support you by updating any information that may have changed over the last year.

We want to help keep you informed!

ROBERT'S TAKE

Robert Bradford

Homework Alabama is an excellent resource for students of all ages, including those who need career assistance. This service is a statewide effort made possible by the State Library of Alabama through local libraries.

With this resource, students and parents have access to superior expertise relative to the challenges of tests and homework. Career prep is also available for those in the job arena. All tutors are screened and critically reviewed to validate their qualifications.

Tutors are available from 10:00 AM – 11:00 PM every day of the week. The Skill Center Resource Library is available 24/7.

Access can be found through the library website at <https://alexandercityal.gov/library>. From the main page select Helpful Library links and then on to HomeworkAlabama/tutor.com

Have a great February. We look forward to seeing you at the library!

Hello! This is your new friendly neighborhood library assistant. I'm skootching Robert's Take over a bit for now. I wanted to remind you - don't be afraid to use the library's website! There are so many things that keep you updated with your local library and have different links to programs that will help with studying and other academic endeavors. I really recommend looking at it when you can. That's all for now!

MAMIE'S PLACE CHILDEN'S LIBRARY

If you are looking for creative ways to get your kids excited about reading, "Audiobooks are a great way to get even the most reluctant or struggling reader excited about books and allow kids to enjoy books above their reading level." Listening to audiobooks also gives kids the valuable and enjoyable experience of using their own imaginations to visualize the people and places they're hearing about. With that in mind, we invite you to join our "For the Love of Reading" incentive challenge, on our Beanstack app. For more information visit the library. "Greatness is built on the words, 'I can try.'" KEEP READING!
